\*ARMY Declass/Release Instructions On File\*

Dear Mr. Baird:

STATINTL

I want to express my appreciation to you for making possible [redacted] visit to the Armed Forces Staff College on 13 June 1960. He did a splendid job of presenting to a small group of officers the talk which you have offered for our use in future classes. The talk was highly interesting and very informative. I feel it would be of considerable value to our students.

I am sure you understand that before we can add a new guest lecture, time for it must be made available, and the approval of the command element of the Staff College must be obtained. We have already initiated action in this direction and I shall inform you of the outcome as soon as a decision is reached.

STATINTL

Please convey my thanks to [redacted] for coming here and giving us such an outstanding presentation.

Yours very truly,

  
PAUL J. RITCHIE  
Colonel, USA
